

**DAY ONE: 25 November 'International Day for Elimination of Violence Against Women'.**

**Grooming leading to Violence....**

Within days of getting engaged to her wonderful fiancé John, Susan a bright university student, was on her way to a new life in his country. Waking up on her first morning, Susan discovered she was alone, locked in the apartment and her passport was gone. That evening John brought home some friends, one of whom followed her into the bedroom and violently raped her. Later a cold, indifferent John told her they needed money and this was the quickest way to earn it... (As told to writer, names changed for anonymity)

**DAY TWO: 26 November:**  
***Elimination of Female Genital Mutilation***

FGM also known as female genital cutting and female circumcision, is the ritual cutting or removal of some or all, of the external female genitalia. The practice is rooted in gender inequality, attempts to control women's sexuality, and ideas about purity.

**Fatima's story**

Fatima lives in Somalia with her family where she attends a school nearby. Her mother is a seamstress. Fatima, at 6 years of age, had a visit from her grandmother. All was pre-arranged and Fatima didn't know what was happening. *'They held my shoulders and knees, and I started crying and trying to close my legs. It was very terrible. I can never forget that. I was at home for seven days with acute pain in the area they cut. Don't do this to your daughters.'* (Source: [www.unicef.org/somalia](http://www.unicef.org/somalia))

**Question:**

What is my reaction to this true story?

.....

**Global Facts**

- ✚ 200 million girls and women alive today have undergone FGM

### **Sexual Harassment**

#### **Marianne's story**

Marianne was on her way to university when she was approached by a man on a motorbike who grabbed her, took her to an isolated location and poured acid on her face. The area was deserted, so despite her calls for help no one came to her aid. Marianne's face burned, stinging and swelling to the point where her lips and eyes were no longer visible. The assailant – Marianne's brother-in-law – had long been harassing her, initiating unwanted sexual advances and imploring her to marry him.

## DAY FOUR: 28<sup>TH</sup> November: *Children Caught in Prostitution.*

### Jennifer's Story

Jennifer is fourteen years old, though she looks much older. She began her "dancing career" in a bar when she was ten years old. 'My friend told me I could find work as a house help, I didn't know I'd be working as a dancer'. Jennifer discovered at a very young age that she had no choice and had to go with her first customer. 'I didn't want to go with him. I was stripped of my clothes, and then he raped me'. This is sex tourism in the Philippines and it is not done covertly. It happens in broad daylight.

*(As told by the survivor)*

### Question:

What is my reaction to this true story?

*Reed & Latino "I have a voice: Trafficked Women in their own words". 2015.*

### Global Facts

- Globally 71% of trafficked victims are women and girls.

## DAY FIVE: November 29<sup>th</sup> Cyber Bullying

### Flora's Story

Flora's cousin, who had been harassing her with threats of physical violence if she did not consent to marry him, pinned her down, taking compromising photos which he stored on a USB drive. Despite his threats of physical violence, Flora filed a legal case against him for intimidation. He threatened to circulate the illicit photos via mobile phone to his friends if she did not drop the battle. He carried through on his threat when she continued to push her case.

(*guardian.com* - Aug. 2017)

In Flora's country, there are few avenues for women like her to seek support. Violence against women is increasingly connected to online forms of abuse that include blackmail.

### Questions:

- What is your initial reaction to this true story?
- How can cyber bullying be tackled?

*pexels.com*

### Global Facts

- Only 52% of women married or in a union freely make their own decisions about consensual sexual relations, contraceptive use and health care. [www.unwomen.org](http://www.unwomen.org)
- World Health Organisation (WHO) reports that 1 in 3 women worldwide have experienced physical and/or sexual intimate partner violence, or non-partner sexual violence in their lifetime.
- Only 18 out of 173 countries have specific legislation addressing sexual harassment in public places. (*World Bank, 2016*)

Each year 15 million girls are married as children.

### The Story of a Child Bride

On her wedding day as an 11-year-old bride, Noora remembers her childish delight at receiving gifts and being thrilled because friends and family gathered for a three day party in her honour. Noora didn't realise that dressing up as an adult and putting on jewellery meant she was now the bride of a distant cousin. He was three times her age, and saw marriage as a means to act like a depraved animal.

## DAY 7: December 1<sup>st</sup> *Harassment and Violence in the Work Place*

### Sarah's Story

"I work in an office. The good days are those when other employees ask you if you're single and why "a pretty girl like you should be alone". The not so good days are the ones where they feel free to touch you, a hand on your arm, an unwanted hug, a pat on the bum." (Irish Independent Nov.4, 2017)

Women and men experience violence and harassment in the world of work, but unequal status and power relations in society and at work often result in women being far more exposed to such treatment.

### High Risk Groups

- 1. Migrant workers:** More than half are women, but they comprise 98% of sex-trafficked victims. Often, they are in isolated and invisible "women's work" with higher violence risk.
- 2. Domestic workers:** are usually female, often doing informal work, without a support system. They can undergo physical or psychological violence, including sexual harassment and rape.
- 3. Health services workers,** between 80-90% are women. They are eight times more likely to face physical threats, than those working in manufacturing.

**Women in Management:** It has been proved that women who reach executive positions, may face high levels of sexual harassment.

**2017 COMMISSION ON THE STATUS OF WOMEN (CSW)** 'Women's Economic Empowerment in the Changing World of Work' Agreed conclusions:

"The Commission strongly condemns violence against women and girls in public and private places, including harassment in the work place.

...these forms of violence are major impediments ...hampering women's ability to enter... and remain in the labour market and make contributions commensurate with their abilities."

✚ **The Beijing Platform for Action** recognizes sexual harassment as a form of violence against women. It calls on employers, unions, and civil society, to ensure governments enact and enforce laws on sexual harassment and that employers develop anti-harassment policies and prevention strategies. (para. 178c)

✚ **International Labour Organization (ILO)** is a United Nations agency dealing with labour standards

### What could an ILO Convention cover?

- Provisions to prevent gender based violence at work
- Measures to protect and support workers affected by gender based violence
- A description of groups most affected by gender based violence: LGBT, Indigenous and migrant workers, workers living with HIV/AIDS and disabilities, people trapped in forced and child labour

### ACTION to promote equality:

1. **Actively** support the rights of women in the work place to ensure protection and equality.
2. **Encourage** women to seek equality and justice when negotiating new employment.

## Day 8: December 2nd...

### **Girls Deprived of Education**

Education is a human right regardless of your gender. According to UNICEF, *"When we educate a girl, we not only give her the tools and knowledge to make her own decisions and shape her own future, we also help raise the standard of living of her family and her community."*

### **Anya's Story**

Anya had worked in a factory for two years when she heard that she could learn to read and write in a literacy programme being held after work. She realised that as a child, she had been sent to the big city to work in a factory to earn money, so that her brothers could attend school. When Anya became literate, she spoke about how she had felt ashamed because she had never gone to school. Anya tried to hide this from her companions at work. The literacy programme was very freeing. Anya no longer felt ashamed because now she could read and write and could join in with her companions at work. *(As told to the writer)*

### **Question:**

What are your thoughts as you read Anya's story?

### **Global Facts on Education:**

- Of the estimated 124 million children out of school, 63 million are girls. *(UNESCO 2014 Teaching and learning: Achieving quality for all)*
- There are multiple barriers to educating girls, including: unfavourable school environments, discriminatory social and cultural factors, early marriage and school-related violence. *(GPE analysis of 42 education sector plans June 2015)*
- Women still represent two thirds of the world's illiterate adults. *(UNESCO EFA Global Monitoring Report 2000-2015)*
- Children born to a mother who can read, are 50% more likely to survive past the age of 5 than children born to an illiterate woman. *(UNESCO: 'Education Counts' Factsheet)*

**Pope Francis: "Education is the indispensable means for enabling girls to grow into active and responsible women . . ."** (NBC News Video)

The act of pursuing an education can sometimes be life threatening for girls in situations of political turmoil, as the 2012 attack against Malala Yousafzai revealed.

### **UN Convention on the Rights of the Child**

### **UN Sustainable Development Goals (SDGs)**

Many of the goals reference Women and Girls particularly -

**SDG 4.5** *'By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations'*

**SDG 5:** *'Achieve gender equality and empower all women and girls.'*

### **Actions to ensure Girls are educated:**

- 1.** Promote equal educational opportunities for girls and boys so that both can develop their potential.
- 2.** Avoid stereo-typing so that children feel free to express themselves, according to their gifts.
- 3.** Call on world leaders to ensure girls in crisis affected areas can stay in school -

## DAY 9, December 3<sup>rd</sup> Human Trafficking

"Human trafficking is [all around us](#), in all regions of the world... in practices as forced labour, sexual servitude, recruitment of child soldiers and other forms of exploitation.' Mr. Guterres, UN Secretary General. [www.un.org/sustainabledevelopment/blog/2017/09](http://www.un.org/sustainabledevelopment/blog/2017/09)

### Mara's Story

Mara lived in Moldova where it was difficult to find work. She heard there were great opportunities in Western Europe so jumped at the offer of a job in a bar. Mara quickly realised that she had been deceived and was now a victim of trafficking. She was bought and sold by traffickers who took her through Albania, Italy, France and England before she arrived in Ireland. Here her passport and papers were taken from her and destroyed, and she was put to work in a brothel. Mara had to work all day and frequently into the night, receiving only food and shelter. If she did not obey, Mara was told her family in Moldova would be killed. Mara managed to escape and got help. (Shared with permission)

### Global Facts about Human Trafficking:

1. Human are trafficked for: Sexual Exploitation, Cheap Labour and Organ Transplants.
2. All countries are a source, transit or destination for traffickers.
3. Human Trafficking (HT) is the 2<sup>nd</sup> most lucrative criminal activity after illegal sale of arms.
4. Globally 24.9 million victims are trapped in modern-day slavery. 71% are women and girls and 29% men and boys.

### Action to prevent human trafficking:

1. Raise awareness about Human Trafficking. Often victims are working in beauty salons, car washes and picking fruit.etc.
2. If you see anything suspicious report it to the police or an NGO working to eliminate HT.
3. Pray for victims who have been trafficked and those keeping them in slavery.

## DAY TEN: 4<sup>th</sup> December

### 'Rape as a Weapon of War'

We knew the Lord's Resistance Army (LRA) was nearby, but it was shocking to see them arrive and brutally round up the men and boys in our village. One of the leaders an older man, pointed at me, then two soldiers approached and roughly lifted me up and locked me in the back of a jeep. I was just 15. For the next seven years I was one of this leader's six 'wives', cooking, cleaning and constantly moving from place to place. I had two children with him. It was only when the Ugandan army ambushed our LRA camp that I was rescued.... (As heard by the writer at the UN in Geneva)

### Question

What is my reaction to this horrific true story?

### Global Facts

- Rape and sexual abuse are not just a product of war but are used as a deliberate military strategy. (*Amnesty International*)
- Systematic rape is used as a tool of ethnic cleansing. More than 20,000 girls and women have been raped in Bosnia since 1992.<sup>1</sup>
- While it is undisputed that strategic rape is an unlawful tactic of war, no state has ever been held accountable, nor any individual prosecuted for its use.

"War always does grave harm to the environment". (*Laudato Si* 57)

<sup>1</sup> <https://www.unicef.org/sowc96pk/sexviol.htm>

*Rape and sexual violence is used as a deliberate weapon of war in the same way that guns and tanks are, to terrorise civilian populations, to humiliate, scar and destroy whole ethnic groups or religious or political opponents, cheaply, silently and devastatingly.*

William Hague, UK Foreign Secretary, (2012)

UN Report of Secretary General on Conflict-Related Sexual Violence, April 2017.

## DAY ELEVEN: December 5<sup>th</sup> *Widows and Property*

*Some traditional cultures do not easily concede recognition of a widow's human rights. In practice, especially in some rural areas, it is still widely assumed that only men should own or inherit land, that widowhood terminates a woman's social legitimacy.*

### Michelle's Story

When Michelle, 57, was widowed in 2012, she lost more than her husband. Shortly after his death, her in-laws took over the fields she had tilled for decades. They also stole fruit from the trees in her kitchen garden and sold the harvest, leaving her without any livelihood. They further intimidated and insulted her by surrounding her and attempting to chase her away.

Michelle's neighbours advised her that the *Legal Resources Foundation* could help her to protect her inheritance. When this legal aid organisation took the matter to court and Michelle obtained restraining orders against her in-laws, she was able to go back to tilling her fields. But her in-laws continue to threaten her, so she still worries about the future: "*I am fearful and my heart is unsettled.*"

## DAY 12: December 6th

### Women's Vulnerability to Climate Change

Leading Academics have warned that "A new obstacle has emerged in the battle for female equality, in the form of climate change. Global warming will inflict far more suffering on women than men, because they are more vulnerable to the floods, droughts and diseases that are expected to increase as the climate changes". (Tom Bawden, *Env. Editor, Independent.co.uk* – Nov. 2015)

### Aregash's Story

"A woman's life is hard, and climate change is making it harder," says Aregash, a 32-year-old Ethiopian woman who lives with her six children in a small farming community. "Because of changing rainfall patterns, crop yields are suffering, and my family doesn't have enough food. We used to get 500 to 600 kilos per harvest, but now we can barely get 100. It has never been like this. The only way we can raise our kids is from the land and if it fails to produce, there isn't enough to feed them..." (adapted from 'Weathering Change' *Population International: Healthy Families, Healthy Planet*)

### Questions

What are your thoughts as you read this story?

In what ways might your lifestyle be contributing to climate change?

.....

<https://www.google.ie/search?q=pixabay.com+free+images++flooding>

### Global Facts

- By 2050 the number of people fleeing the impacts of climate change could reach 150 million. 80% of climate refugees will be women and children.  
<http://www.greenpeace.org/international/en/news/Blogs/makingwaves/women-impacted-by-climate-change/blog/59194/>
- Five times more women die from natural disasters than men. Cultural constraints on women's mobility and lack of assets put them at a financial disadvantage and more vulnerable to disasters.  
(Ghalia Fayad blog, *Greenpeace* 2017)
- Climate change and natural disasters have many negative impacts on women e.g. they are often exposed to gender-based violence.  
(CEDAW, Feb. 2016)

**"We will not solve the climate crisis or embark on a new pathway to sustainable development, if we don't fully engage the 50% of the world's population which are women."**

**SDG 13:** Take urgent action to combat climate change and its impacts.

**Target: 13. b** Promote mechanisms for ... effective climate change-related planning and management in least developed countries... including focusing on women, youth...and marginalised communities.

## Day 13: December 7<sup>th</sup> - Femicide

**Femicide** is a sex-based, hate crime term, broadly defined as "the intentional killing of women or girls because they are females."

### Ana Clara's Story

Ana Clara was thirty and lived on the periphery of Porto Alegre, Brazil. She was in a relationship with a partner for six years and had one daughter. The relationship was very unstable and there was a lot of conflict and violence which resulted in repeated break-ups. On New Year's Eve 2007, Ana Clara was stabbed to death by her partner. **Ownership & Objectification of Women**

Women frequently face sexual objectification in daily interpersonal interactions and through the active and passive consumption of multimedia. You've always been so outspoken - if it really happened you would have told us earlier!" I was branded a liar, labelled mentally unstable, and told I had got it all wrong. ## DAY 15: December 9<sup>th</sup> Does Patriarchy in the Church Play a Role in Abuse?

"**Patriarchy** is a system of society, in which men hold the power and women are largely excluded from it." (The Dominant Ideology of Patriarchy)

### Survivors of Abuse share their experience...

"I hear similar themes repeated by victims, of church cultures that treated women's bodies as inherently problematic and seductive...that questioned women's ability to think rationally or make decisions without the leadership of men. ... blamed victims of sexual abuse for inviting the abuse...That effectively silenced victims by telling them that reporting the crime would reflect poorly on the church...These women describe an environment of fear...which made it hard to report, or even to acknowledge, the abuse..." (Adapted from - <https://rachelheldevans.com/blog/patriarchy-abuse>)

"**God weeps for the sexual abuse of children,**" Pope Francis said, after meeting with hundreds of bishops and seminarians, as well as privately with victims of clergy sexual abuse. (USA. 2015)

1. Feminism promotes women participating in decision-making that affects their lives...to enjoy full and equal civil rights, in and out of the Church.

## Day 16, December 10<sup>th</sup> UN International Human Rights Day

Human rights (HR) are inherent to each person without discrimination. They are set out in the Universal Declaration of HR Dec 10, 1948, as interrelated, interdependent and indivisible.

### A Gift or an Abuse of Human Rights?

Whilst studying in a rural area of Zimbabwe, I was called to meet a tall, beautiful woman with a child on her back. She had a 20 litre tin of water on her head. As I approached, she elegantly took the tin from her head and placed it at my feet, indicating it was for me to wash whilst staying with my host family. Later I learnt that Sakhile had walked 4 kms to the pump, to bring me this precious gift of water!

As I reflected I began to get angry. Why should women and girls have to spend so many hours fetching water, because the government chooses to spend money on other things? The UN has confirmed that water is a basic human right, yet access is denied to millions, in many countries...

### Question:

What human rights abuse have I observed?

### Global Facts about Human Rights

Every State must promote and protect all HR regardless of political, economic and cultural systems. (Vienna World Conference on HR, 1993)

Respect for the three great bodies of international law, humanitarian law and refugee law were eroded in 2016. (Zeid Ra'ad Al Hussein, UN High Commissioner of HR, 2016)

Conflicts remained intractable, driving out millions to seek basic conditions for life elsewhere. (UN High Commissioner for HR, 2016)

**Pope Francis:** "Human rights are not only violated by terrorism, repression or assassination, but also by unfair economic structures that creates huge inequalities." 2015

**Universal Declaration of Human Rights (UDHR)** with 30 articles on rights, was signed by every State and is a binding document.

**Article 1:** All human beings are born free and equal in dignity and rights.

**Article 3:** Everyone has the right to life, liberty and security of person.

**Article 14** Everyone has the right to seek and to enjoy in other countries, asylum from persecution.

**The International Bill of Rights** is the UDHR with the two International Covenants: **a)** Civil and Political Rights (ICCPR) and **b)** Economic, Social and Cultural Rights (ICESCR), which develop the articles in the UDHR. They are therefore binding covenants. Countries report to the UN their progress on HR and other Covenants.

**December 10<sup>th</sup> 1948-2018**  
**marks 70 Years of the UN Declaration on HR.**

The theme for the year:

**'Let's Make Human Rights a Fact and Not a Dream'**

Today marks the beginning of the 70<sup>th</sup> celebrations, ending Dec 10<sup>th</sup> 2018.
