

MERCY INTERNATIONAL ASSOCIATION

20th Anniversary Celebrations

SEPTEMBER 23RD-29TH 2014

IMPORTANT INFORMATION. PLEASE READ CAREFULLY

Each day during the celebrations, the rituals at Mercy International Centre will be streamed and will be available in real time and archived on the Mercy World website www.mercyworld.org for viewing by those unable to participate in person at Baggot Street or to watch the live streams.

However, the **Mercy Day Mass** will not be live-streamed but will be archived for viewing on the **mercworld.org website** for viewing at a convenient time.

The main events of the celebrations will also be streamed live and can either be accessed simultaneously or viewed at a later time. Members of the Mercy family around the world are invited to organise parallel events in their own locations.

Consideration might be given to organising a **'Good Cup of Tea'** event as part of the celebrations in local places.

Two way communication is encouraged. There will be daily reports on Mercy World website of the events in Baggot Street and reports on celebrations from around the world are welcomed. Please email these to: mercynews@mercyinternational.ie

Note: Times for the events are given in the following format:
