

# St Joseph's Centenary Song

On the land of the Whadjuk people,  
Mercy sister's came to share  
The gift of knowing the love of our God  
To grow through work and prayer

**We are St Joseph's School**  
**A community like no oth-er**  
**We are disciples of Jesus**  
**Being Christ to each oth-er**

In the spirit of Catherine McAuley  
We all strive to serve others  
We are all part of God's fam'ly  
We are sisters and brothers

## **CHORUS**

Living a life of action and service  
And prayer to God above  
Sharing the Mercy sisters' values  
We shine God's light of love

## **CHORUS**

We value Justice, Compassion,  
Tolerance and Peace  
Forgiveness of our sins  
And love that does not cease
