

Catherine's leadership qualities
spoken into the group in open mic
session

Thursday 11 August 2016

- Generosity: focus on what other's need and not just ourselves
- Confidence to go for something
- Collaborative: keen sense of not having all the answers; surround selves with great people
- Bestow courage and dignity to those around her
- Great ideas from those surrounding her
- Patience: not letting others know by our face when we are irritated
- Trust in other people: saw gifts and talents in others
- Not afraid to get her hands dirty; didn't just delegate – doing the hard tasks too (eg Cholera depots)
- Loyalty – to vision, to people, to those who helped her along

- Humbleness: hard to remain so humble when able to do as much/accomplish as much as she did
- Ability to Let go – empowered those around her to stand up and lead
- Trusted others to do their part
- Genuine: genuinely wanted to help; didn't want fame or recognition
- Humbleness: never asked for anything in return
- Tenderness & Courage: 'she loved us tenderly; inconsolable at the loss of any of us'
- Saw what needed to be done & had the courage to do it
- Accepted everyone who came to her door; valued inclusivity
- Mission-focused & able to communicate
- Courageous: saw a need and did what she could to make it right
- Risk-taking
- Trusting & empowering the other
- Confident & Brave – didn't let anything come in her way – always out to do the best she could
- Witty – able to keep good relationship with younger sisters; bondedness; cross-generational
- Consistency: so many opportunities to scream; kept consistent
- Hope she knew that what she accomplished was through her effort and her hard work, not luck that created the end result
- Vision – truly understood impact of her decisions
- Able to pass the torch on to another sister to ensure legacy continues
- Deep love of God & love of prayer; brought everything to God
- Humility: speak to people through faith in God, acceptance, reach out to everyone even those who don't believe in themselves

- Humbleness: she followed her calling & her passion and able to do what she felt she needed to do
- Fearless: able to jump in and do anything – going beyond comfort zone
- No regrets
- Doing what she needed to do even if it is not what she *wanted* to do
- Visionary: articulate vision & get buy-in
- Make positive impact on society
- Acknowledged everyone helping her – all contributors visible
- Did things very simply but with great integrity
- Try to meet all with peace & ease
- Authentic self at all times
- Tenacious even in face of obstacles and opposition
- Perseverance: even in the midst of setbacks
- Never gave up on her vision
- Kindness: easy to get caught up in power and forget the kindness
- Selflessness – put others before herself
- Woman able to make a difference in Male-dominated society & focus on women
- Level-headed

- Gentleness and tenderness
- Humour
- Patience: how do I communicate interest, admiration, when I may not feel fullness of that
- Embraced equality
- Independent
- Knew what she wanted and went after it
- Didn't give up her faith – stayed true to what she knew
- Selflessness
