

Maya Angelo says -

We can learn to see each other and see ourselves in Each other and **RECOGNIZE** that human Beings are More Alike than we are unlike.

Reflect on what you have just heard

- What has stayed with you?
- What challenges you?
- How might you use this information where you work?

WHO IS MY NEIGHBOR?

Omaha, NE -
October 13-14, 2017

NURTURING THE GLOBAL CITIZEN WITHIN

If I could
I'd give every child
A terrestrial globe...
If possible, even
A globe that would light up,
In the hope
Of opening those young eyes
As wide as they will go
And arousing interest in,
And love for,
All people,
All races,
All tongues,
All religions!

JUST A THOUGHT...

Catherine McAuley

If Catherine were alive today, she might be saying to us: "Do not lose heart, you are here for these times. I urge you not to spend your spirit bemoaning these times. Your task is to reach out to that bit of the world that needs mending and is within your reach. Do what you can each day. Do it one person at a time." Ask yourself: How am I making a difference?
