#### **Notes**

There is very limited accommodation available at Mercy International Association, Baggot Street. A list of local accommodation can be obtained from Madeleine (receptionist@mercyinternational.ie).

80 participants is the maximum that can be accommodated at each event, other than the Mercy Day Mass and Dinner which can accommodate 200 or more. In the case of over-subscription to any event, places will be allocated as equitably as possible, and efforts will be made to ensure attendees are facilitated at as many as possible of their requested events.

Each day during the celebrations, the rituals at MIC will be streamed and will be available in real time and on the Mercy World website.

The main events of the celebrations will also be streamed live and can either be accessed simultaneously or viewed at a later time. Members of the Mercy family around the world are invited to organise parallel events in their own locations.

Consideration might be given to organising a 'Good Cup of Tea' event as part of the celebrations in local places.

Two way communication is encouraged. There will be daily reports on Mercy World website of the events in Baggot Street and reports on celebrations from around the world are welcomed.

Attendance at all events of the Celebrations is free but a donation, if desired, to help defray expenses, will be welcomed and greatly appreciated.
