

Patricia Powell RSM

Australian Sister of Mercy
Founding Member of Rahamim Ecology Centre
Bathurst, NSW, Australia

Patricia Powell is an Australian Sister of Mercy and a founding member of Rahamim Ecology Centre in Bathurst NSW. Ever since she “discovered” the Universe in the 1990’s and simultaneously “awakened” to the human induced degradation of planet Earth, she has been committed to environmental learning and ecological conversion, grounded in a cosmology that recognises the interconnectedness of all creation.
